Annual Report 2023 –2024

**Presented by- Dr. P. Narayana Prasad, Principal SDCH, Professor & HOD
Department of Orthodontics and Orofacial Orthopaedics**

SDCH has successfully completed 21 years providing quality education and contributing in the field of dental health care. The academic and extracurricular activities are aimed at fulfilling the vision and mission of the college.

About SDCH

Seema Dental College and Hospital was established under the able guidance of Dr R K Gupta (Founder Chairman) in the year 2003 with the aim of providing dental education and quality health care to the population of Uttarakhand.

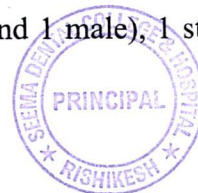

The Vision of the college is to impart value based high quality Dental education to the students of Uttaranchal and other states and providing best dental care to the population with the help of best infrastructure and facilities. At Seema dental College it's our aim to create increasing awareness amongst the masses about dental hygiene, providing affordable and easy access for dental care to the patients, management of every kind of dental emergencies as well as become an epicentre for research and technology.

The annual intake started with 100 student's admission in undergraduate program. The postgraduate program was started from 2011 in four specialty courses. The undergraduate and post graduate courses are affiliated to Hemwati Nandan Bahuguna Uttarakhand Medical Education University, Dehradun and recognized by the Dental council of India.

Admissions & Results:

Undergraduate (UG) and Postgraduate (PG) admissions take place through NEET and Uttarakhand Government counseling. This year, the BDS program admitted a total of 95 students, comprising 72 females and 23 males, while the MDS program admitted 20 students, including 17 females and 3 males. The college provides category reservations based on government policy. In the BDS program, 22 students were admitted under different categories, with 7 students in OBC (6 females and 1 male), 1 student in ST

(female), and 4 students in SC (2 females and 2 males). In the MDS program, 2 students were admitted under various categories.

In the last academic year, the Bachelor of Dental Surgery (BDS) program was structured to provide comprehensive academic and clinical training. For first-year BDS students, the program included 504 hours of lectures and 900 hours of clinical practice. Second-year students attended 460 hours of lectures and completed 930 clinical hours. Third-year students engaged in 570 hours of lectures and 820 hours of clinical work. Finally, in the fourth year, students attended 280 hours of lectures and dedicated more time to clinical practice, completing a total of 1,200 clinical hours. This rigorous schedule ensured that students received a well-rounded education, balancing theoretical knowledge with practical experience.

For the academic year 2023-2024, the pass percentages for the BDS and MDS programs are as follows:

In the BDS program, the results for the regular exams were 80% for BDS I (November 2023), 67.5% for BDS II (November 2023), 88% for BDS III (August 2023), and 61.2% for BDS IV (August 2023). For the January 2024 supplementary exams, BDS levels (III and IV) achieved a 100% pass rate. For the February 2024 supplementary exams, BDS levels (I and II) achieved a 100% pass rate for II year and 93.75% for I year.

The August 2023 supplementary exams, BDS III year achieved 100% pass rate.

The January 2024 regular exams had a pass rate of 100% for BDS III and IV while BDS I and II were not applicable.

For the MDS program, the final year results showed a 100% pass rate across all specializations: Prosthodontics, Conservative Dentistry and, Pediatric Dentistry, Periodontology, Oral medicine, and Orthodontics. Similarly, the first-year MDS results were perfect, with a 100% pass rate in all the aforementioned specializations.

Pattern of Examination

At SDCH, in addition to the university examination schedule, two internal terminal examinations in both theory and practical were conducted. For BDS 1st year (Batch

2022), these exams were held in May 2023 and October 2023. The second internal exam for BDS 2nd, 3rd & 4th years took place in July 2023. The first terminal exam for BDS 1st year (Batch 2023) and BDS 4th year (Batches 2020 and 2019) was scheduled for February 2024. For BDS 2nd year (Batch 2022) and BDS 3rd year (Batch 2021), the first internal exam was scheduled for May 2024. A Periodic test as an adjunct to the internal examination is held in all clinical and non- clinical departments as per the department protocol, for all the UG batches in their respective subjects to prepare the students for the University final exams.

STUDENT LIFE

College events such as sports and cultural activities were held in February and March. Both events included numerous competitive and non-competitive activities, and students were encouraged to participate with enthusiasm. The winners and runners-up from all activities, as well as the outstanding Mr. and Ms. Sports & Cultural, were felicitated with Mr. Jal Tarang and Ms. Jal Tarang trophies and certificates during the closing ceremony on the last day of the events.

At SDCH, the annual sports event was organized over five days and was conducted smoothly by the sports committee. The event began with an inauguration ceremony. Various indoor and outdoor games were conducted for both male and female participants, including individual and team events such as kabaddi, volleyball, basketball, badminton, table tennis, chess, shot put, throwball, and carom board, among others. Faculty members were also invited to participate. Fun games like sack race, tug of war, and lemon spoon race were part of the event and were enjoyed by everyone. For 2023-24, Mr. Aditya Rajwar from the intern batch was awarded the Mr. Sports trophy, and Ms. Bhumika Sharma from the 2nd year received the Ms. Sports trophy.

The annual cultural event, Jal Tarang, was a colorful blend of musical and dance events, solo and group activities, fashion shows, skits, and other activities such as painting, cooking, photography, mehndi, and rangoli. The week was open to all students, faculty, and non-teaching staff members of the college. Band performances and DJ nights were also part of the cultural week for everyone to enjoy. The enthusiasm from students and staff made the cultural week memorable. For 2023-24, Mr. Arpit Chhabra from the 3rd year was awarded the Mr. Jal Tarang trophy, and Ms. Jyotinayana Das from the 3rd year received the Ms. Jal Tarang trophy.

Annual Founder's Day was celebrated on April 2nd, which commemorated the institution's inception day. University toppers, distinction holders, and subject toppers from both UG and PG batches were awarded during the ceremony.

ACCREDITATION AND COMPLIANCE

SDCH has diligently adhered to all local and national regulatory requirements set by relevant dental and educational authorities. This includes maintaining standards in academic programs, clinical practices, infrastructure, and faculty qualifications as mandated by the Dental Council of India (DCI) and Hemwati Nandan Bahuguna Uttarakhand Medical Education University, Dehradun.

During the academic year, SDCH was inspected by Hemwati Nandan Bahuguna Uttarakhand Medical Education University, Dehradun, on May 17, 2024. These inspections assessed the college's compliance with educational and clinical standards.

SDCH successfully received accreditation for its undergraduate and postgraduate programs from the Hemwati Nandan Bahuguna Uttarakhand Medical Education University, Dehradun, reaffirming its commitment to quality education and patient care.

SDCH maintains its commitment to providing high-quality education and healthcare services while meeting all regulatory and accreditation requirements.

SDCH is preparing for attaining first cycle of NAAC accreditation.

CONCLUSION

As SDCH concludes another successful year, I reflect with pride on our achievements and growth over the past twelve months. Celebrating our 21st anniversary, SDCH has reaffirmed its commitment to delivering exemplary dental education and healthcare, guided by the visionary leadership of Dr. R.K. Gupta and our dedicated faculty and staff.

Throughout the academic year 2023-2024, SDCH have made significant strides in both academic and clinical domains. Our undergraduate and postgraduate programs have continued to thrive, with commendable pass rates and notable academic excellence awards highlighting the hard work and dedication of our students. The diverse range of research projects undertaken by our students and faculty underscores our commitment to advancing dental science and addressing contemporary challenges in oral health.

Our clinical services have demonstrated our unwavering dedication to patient care, with a substantial number of patients benefiting from our comprehensive treatment offerings. The

expansion of our community engagement through dental camps and awareness programs reflects our deep-rooted commitment to serving the broader community and promoting oral health education.

The positive feedback from our students and the successful accreditation by Hemwati Nandan Bahuguna Uttarakhand Medical Education University affirm the high standards of our educational programs and clinical practices. Our faculty's recognition and participation in various national and international roles further underscore the excellence that defines SDCH.

As SDCH looking forward to the coming year, we remain steadfast in our mission to enhance dental education, improve patient outcomes, and contribute to the broader field of dental research. I extend my heartfelt gratitude to our academic faculty, academic support staff, administrative staff, students, and management for their continued support and dedication. Together, we will strive to uphold the values and vision that have guided SDCH since its inception, ensuring that we continue to lead in dental education and healthcare excellence.

Annual Report 2022- 2023

SDCH has successfully completed 20 years providing quality education and contributing in the field of dental health care. The academic and extracurricular activities are aimed at fulfilling the vision and mission of the college.

About SDCH

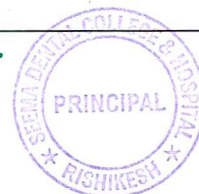

After the formation of the state of Uttaranchal, it was realized that the new state with a population of nearly 1 crore, did not have adequate facilities for both the dental and the medical education.

In an endeavour to overcome the vacuum of dental education, Dr. B.S.Gupta Medical Charitable Society decided to take up the challenge and laid the foundation stone of Seema Dental College & Hospital in "Devbhumi" Rishikesh.

The Vision of the college is to impart value based high quality Dental education to the students of Uttaranchal and other states and providing best dental care to the population with the help of best infrastructure and facilities. At Seema dental College it's our aim to create increasing awareness amongst the masses about dental hygiene, providing affordable and easy access for dental care to the patients, management of every kind of dental emergencies as well as become an epicentre for research and technology.

ANNUAL REPORT 2021-2022

SDCH has successfully completed 19 years providing quality education and contributing in the field of dental health care. The academic and extracurricular activities are aimed at fulfilling the vision and mission of the college.

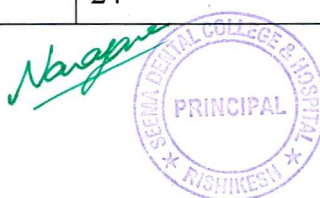

About SDCH

After the formation of the state of Uttaranchal, it was realized that the new state with a population of nearly 1 crore, did not have adequate facilities for both the dental and the medical education.

In an endeavour to overcome the vacuum of dental education, Dr. B.S.Gupta Medical Charitable Society decided to take up the challenge and laid the foundation stone of Seema Dental College & Hospital in "Devbhumi" Rishikesh.

The Vision of the college is to impart value based high quality Dental education to the students of Uttaranchal and other states and providing best dental care to the population with the help of best infrastructure and facilities. At Seema dental College it's our aim to create increasing awareness amongst the masses about dental hygiene, Providing affordable and easy access for dental care to the patients, management of every kind of dental emergencies as well as become an epicentre for research and technology.

ANNUAL REPORT 2020-2021

SDCH has successfully completed 18 years providing quality education and contributing in the field of dental health care. The academic and extracurricular activities are aimed at fulfilling the vision and mission of the college.

About SDCH

After the formation of the state of Uttaranchal, it was realized that the new state with a population of nearly 1 crore, did not have adequate facilities for both the dental and the medical education.

In an endeavour to overcome the vacuum of dental education, Dr. B.S.Gupta Medical Charitable Society decided to take up the challenge and laid the foundation stone of Seema Dental College & Hospital in "Devbhumi" Rishikesh.

The Vision of the college is to impart value based high quality Dental education to the students of Uttaranchal and other states and providing best dental care to the population with the help of best infrastructure and facilities. At Seema dental College it's our aim to create increasing awareness amongst the masses about dental hygiene, providing affordable and easy access for dental care to the patients, management of every kind of dental emergencies as well as become an epicentre for research and technology.

Annual Sports and Cultural Activities

College Events like Sports and Cultural events are held every year in the month of January and March respectively. Both the events include numerous competitive and non -competitive activities and students are encouraged to participate with zeal. The winners and runner ups from all the activities, Outstanding Mr & Ms Sports & Cultural are felicitated with trophies and certificates in the closing ceremony on the last day of the events.

At SDCH we organize an Annual Sports event spread over 5 days conducted smoothly by the sports committee, the event starts with an Inauguration ceremony. Various indoor and outdoor games are conducted for both girls and boy's participants. Both individual and team events are held like Kabaddi, Volley Ball, Basketball, Badminton, Table Tennis, Chess Shot Put, Throwball, Carom Board and many more. The event is open for participation from the faculty members as well. Fun games like sack race, tug of war, lemon spoon race are also a part of the event which are enjoyed by everyone.

The Annual Cultural event JAL TARANG is held in the last week of march is a colourful blend of musical and dance events, solo and group activities, fashion show, skit and many other activities like Painting, Cooking, Photography, Mehndi, Rangoli are also held. The week is open to all Students, faculty and non- teaching staff members of the college. Band performance and DJ Night are also a part of the cultural week for everyone to enjoy. Enthusiasm from students and staff make the cultural week memorable.

The week ends with celebration of **Annual Founder's Day** on 2nd April every year which is a celebration of the institution's inception day. The University toppers, distinction holders and subject toppers of the session both UG and PG batches are awarded in the ceremony.

Community and Social Responsibility:

We at SDCH are committed to serve the society and fully understand our social responsibilities and duties.

ANNUAL REPORT 2019-2020

SDCH has successfully completed 17 years providing quality education and contributing in the field of dental health care. the academic and extracurricular activities are aimed at fulfilling the vision and mission of the college.

About SDCH

After the formation of the state of Uttaranchal, it was realized that the new state with a population of nearly 1 crore, did not have adequate facilities for both the dental and the medical education.

In an endeavor to overcome the vacuum of dental education, Dr. B.S. GUPTA medical charitable society decided to take up the challenge and laid the foundation stone of Seema Dental College & Hospital in "Devbhumi" Rishikesh.

The vision of the college is to impart value based high quality dental education to the students of Uttaranchal and other states and providing best dental care to the population with the help of best infrastructure and facilities. at Seema Dental College it's our aim to create increasing awareness amongst the masses about dental hygiene, providing affordable and easy access for dental care to the patients, management of every kind of dental emergencies as well as become an epicenter for research and technology.
