Sr. No.	SUGGESTIONS- FEEDBACK	ACTION TAKEN
1.	The goals and objectives of the BDS/MDS were clear	<ul style="list-style-type: none"> <li>• Orientation seminars and career oriented programmes were organised for the students in BDS I year itself</li> </ul>
2.	The workload of the BDS curriculum was manageable	<ul style="list-style-type: none"> <li>• The faculty mentors have been instructed by the principal to take care of their mentees (students) to solve their academic problems so that their academic stress can be reduced to manage the workload of BDS curriculum. Especially the BDS IV year students are given extra posting to complete their clinical quota work.</li> </ul>
3.	The BDS curriculum was well organised (e.g. timely access to materials, notification of changes, etc.)	<ul style="list-style-type: none"> <li>• Notification system to be strengthened at level of students to increase their access of information</li> <li>• Notices should contain anti-ragging posters</li> <li>• Emergency contact numbers and fire contact numbers should be displayed. First aid box should be available all the time.</li> </ul>
4.	You are satisfied with your own attendance during the course of study	<ul style="list-style-type: none"> <li>• LMS software is being used to record daily attendance of students which is being delivered to their parents on a daily basis.</li> <li>• Feedback mechanism between parents and institution should be enhanced</li> </ul>

5.	I participated actively in the theory classes and practicals/clinics	<ul style="list-style-type: none"> <li>Students were asked the reason for not actively attending classes and practicals/clinics and were counselled for the same.</li> <li>Students mentors were contacted to discuss the mentees problems and were asked to sort.</li> <li>Remedial classes, Extra-classes, Group discussions, projects and additional activities were arranged for them</li> </ul>
6.	I think I have made good progress in BDS course	<ul style="list-style-type: none"> <li>Slow learners were identified from all batches and remedial classes, extra-classes, group discussions, projects and additional activities were arranged for them.</li> <li>Periodic tests were also conducted timely to assess the performance of graduates</li> <li>Clinical end- posting vivas are also conducted for the students for their assessment</li> </ul>
7.	The learning environment and teaching methods are excellent in the institution	<ul style="list-style-type: none"> <li>Students will be asked about teaching methods which they want to incorporate by conduct of CR meeting of respective batches</li> <li>Students will be engaged in interesting learning methods through conducting quizzes, pedagogy competitions, debate competitions, poster and paper competitions, etc.</li> </ul>
8.	I think the subjects were well structured to achieve the learning outcomes (there was a good balance of lectures, tutorials, practical etc.)	<ul style="list-style-type: none"> <li>Lesson plans have been introduced at the beginning of academic year itself keeping in mind not to make it monotonous by keeping a good balance between lectures and practicals/clinics and also a good balance between medical and dental subjects</li> </ul>
