Clinical Society Meeting

This is to inform all HOD, faculty, post graduate and Interns that a Clinical Society Meeting will be held monthly on every third Tuesday from 8.00 – 8.30 am for post graduate students and every third Wednesday from 8.30 – 9 am for Undergraduate students (Interns) at Integrated seminar hall, First floor, from May 2024. The rotation for presentation is as follows and each department will be assigned a month. All HOD's are requested to ensure that post graduates and interns actively participate in the meeting and it is mandatory that a minimum of one PG student & One intern should present accordingly to the respective roaster.

Dr. S .Karpagavalli, Professor & Head, Department of Oral Medicine and Radiology, will be the Chief coordinator with Dr. Tarun Sharma, Professor, Department of Orthodontics, Dr .Nagaraja, Professor & Head, Department of Oral Pathology, Dr. Avnish Singh, Professor & Head, Department of Public Health Dentistry, Dr. Jyotsna Seth, Professor, Department of Prosthodontics, Dr. Sheetal Grover, Professor, Department of Conservative Dentistry & Endodontics, Dr. Mudit Agarwal, Professor, Department of Oral Surgery, Dr. Nitin Khanduri, Professor, Department of Pedodontics, Dr. Nidhi Mehrotra, Reader, Department of Periodontics, will be the departmental coordinator for the same.

All post graduate students and Interns should attend the clinical society meeting on their respective days compulsorily and all faculty are requested to attend the same.

This is for strict compliance.

Guidelines for the presentation:

1. The name of the case presenter along with the case details should be informed and discussed two weeks prior to the chief coordinator and concerned departmental coordinator and approval should be obtained for presentation.
2. The clinical case can be either completed or on-going case of the institution for discussion and further opinion from various disciplines of the forum.
3. Undergraduate students (Interns) are encouraged to present clinical cases however, in view of unavailability of cases they are allowed to present a review on current concepts related to the concerned departments.
4. It is compulsory to include good quality clinical and radiographic pictures wherever required in the presentation.
5. Time limit for the presentation will be 15 – 20 minutes with a maximum of 30 slides.
6. Avoid acknowledgement slides in the presentation.

RAMAKRISHNA MISSION SEVASHRAMA, and SEEMA DENTAL COLLEGE & HOSPITAL, are hereinafter collectively referred to as the “PARTIES”.

NOW, THEREFORE, this Memorandum of Understanding witnesses and the parties hereto mutually agree as follows:

WHEREAS RAMAKRISHNA MISSION SEASHRAMA is a Charitable Hospital, established to serve the humanity at large in the year 1901 by Swami Kalyanananda, one of the direct monastic disciples of Swami Vivekananda. The Sevashrama is a 200-bedded multi-specialty charitable Hospital at Kankhal, Haridwar in Uttarakhand. The Sevashrama serves poor patients & monks in and around Uttarakhand. Since its inception, it has served more than 10 million patients.

AND WHEREAS Seema Dental College and Hospital, is a premier dental institution of North India. It is the first post graduate institute in Uttarakhand having recognized master program in six- specialties. It has envisaged as a world class dental hospital and teaching center. On one side the institution focuses on the international teaching standards while on the other side emphasis is on taking care of needy group of the society by organizing various health care projects. Presently, the Institution is under Dr. B.S Gupta Medical Charitable Society and led by the chairman of Dr. Amit Gupta & Director Principal Dr. Himanshu Aeran.

PURPOSE OF THE MOU

The purpose of this MoU will be to work for the betterment of the society and to identify & improve the dental facilities available through the Sevashrama and the Hospital for the people of Haridwar & Rishikesh and to create awareness among them regarding oral health & related diseases by means of outreach activities like dental camps, awareness talks etc.

SCOPE OF THE MOU

The following points need to be considered by both the parties for clearly identifying their roles and responsibilities to work towards their AIM/ Purpose. As discussed during our meetings on the 25th August 2022 and 30th August 2022.

The Sevashrama’s Responsibilities and Commitments:

- Space, Infrastructure for Dental Set Up
- Dental Equipment & all consumable material: No. of dental chairs: 3-4, along with facility of Dental RVG (X Ray).
- Dental Surgeons: 2 (two) Fulltime, out of which preferably one will be MDS, to be appointed by the Sevashrama.

Dishuwan

ASB

- Rate list for treatments at the dental wing of the Sevashrama may be decided by them on consultation with the Hospital.

The Hospital's Responsibilities and Commitments:

- The Hospital will provide specialist dental surgeons on weekly basis or as per requirement.
- MDS & BDS Students from the Hospital will be sent for various peripheral medical & dental postings to the Sevashrama.
- The Hospital will provide support for lab & radiographic investigations (OPG, CBCT) on payment basis as per mutually agreed rates.
- Referred patients from the Sevashrama will be treated at concessional rates at priority basis at the Hospital.
- To enhance dental awareness Dental Checkup & Awareness Camps may be organized in collaboration with the Hospital at the Sevashrama.

DURATION AND TERMINATION

This MoU shall become effective upon the signature by the authorized officials and will remain in effect, until modified or terminated, for a period of two years. The MOU can be further extended following the termination by mutual consent of the two parties.

This MoU has not authorized either First or Second Party to consider themselves as employees of each other's organization. All confidential data shared by each Party has to be maintained in confidence and not shared without consent of other Party. First Party & Second Party will not represent each other and will maintain their individual entities during the period of the MoU.

AMENDMENT

Unless otherwise terminated, this MoU will be active for a period of five years from the date of MoU mentioned on the first page. It may be extended for further period by mutual consent of both parties.

TERMINATION

Notwithstanding anything contained in the above-mentioned paragraph of this MoU, either party has right to terminate the MoU by giving 90 (ninety) days written notice to the other party without any obligation as to damage, loss or cessation of any business opportunity to First Party or Second Party.

DISPUTE RESOLUTION & JURISDICTION

In event of any dispute arising out of this MoU, decision of the Director of the Hospital & the Secretary of the Sevashrama will be final and binding upon both the parties.

The competent courts in Rishikesh & Haridwar, Uttarakhand shall alone have an exclusive jurisdiction. Both parties of this MoU agree to act in good faith and in spirit of mutual understanding and accommodation to facilitate achievement goals set under this MoU.

The MoU will be executed in 2 copies, each to be retained by respective parties to form one and single document.

IN WITNESS whereof, authorized representatives of parties signed this MoU as of day & year mentioned above:

SEEMA DENTAL COLLEGE & HOSPITAL
VEERBHADRA ROAD, RISHIKESH-249203

Notice

Date: 02.12.2021

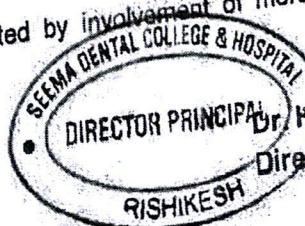

With reference to earlier Notice No. SDCH/PO/2020/2021/4830 dated 02.12.2021, all faculty, Post Graduate Students & Interns are hereby advised to take a note of the purpose and guidelines for Interdepartmental Clinical meetings and case presentations.

INTERDEPARTMENTAL CLINICAL MEETING

Interdepartmental/Integrated clinical meeting is a case based method of learning medicine/dentistry by problem-solving approach. A well-chosen clinical case is a powerful and dynamic teaching tool that offers multidisciplinary correlations and competence of clinicians. This meet provides an effective and regular educational media of collaborative learning for the inter-disciplinary exchange of knowledge among the faculty members of our institution for better education and patient care. It also gives opportunity to our post graduate students to experience an in-house practice of presenting the clinical cases which can readily be reproduced as a case report for publication.

GUIDELINES FOR PRESENTATION

1. All postgraduate students should present one interesting clinical case in rotation. Every P.G. student should present minimum one case in a year. Interested faculty and interns are also welcome to present cases.
2. The name of the case presenter along with case details should be informed and discussed one week prior, to the chairman, vice-chairman and concerned department co-ordinator and approval should be obtained for presentation.
3. The clinical case can either be a completed case or an on-going case of the institution for discussion and further opinion from various disciplines of the forum.
4. Minimum of one clinical case will be presented per session. However more than one case upto a maximum of 2-3 cases can be accommodated during a session.
5. It is compulsory to include good quality clinical and radiographic photographs and wherever necessary photomicrographs should be included as well.
6. Multidisciplinary cases can be presented by involvement of more than one presenter of different speciality.

Dr. Himanshu Aeran
Director Principal

Notice

July 24th, 2019

SDCH/PO/1464/2019/917

With reference to earlier Notice No. SDCH/PO/1460/2019/903 dated July 19th, 2019, all faculty, Post Graduate Students & Interns are hereby advise to take a note of the purpose and guidelines for Interdepartmental Clinical meetings and case presentations.

INTERDEPARTMENTAL CLINICAL MEETING

Interdepartmental/Integrated clinical meeting is a case based method of learning medicine/dentistry by problem-solving approach. A well-chosen clinical case is a powerful and dynamic teaching tool that offers multidisciplinary correlations and competence of clinicians. This meet provides an effective and regular educational media of collaborative learning for the inter-disciplinary exchange of knowledge among the faculty members of our institution for better education and patient care. It also gives opportunity to our post graduate students to experience an in-house practice of presenting the clinical cases which can readily be reproduced as a case report for publication.

GUIDELINES FOR PRESENTATION

1. All postgraduate students should present one interesting clinical case in rotation. Every P.G. student should present minimum one case in a year. Interested faculty and interns are also welcome to present cases.
2. The name of the case presenter along with case details should be informed and discussed one week prior, to the chairman, vice-chairman and concerned department co-ordinator and approval should be obtained for presentation.
3. The clinical case can either be a completed case or an on-going case of the institution for discussion and further opinion from various disciplines of the forum.
4. Minimum of one clinical case will be presented per session. However more than one case upto a maximum of 2-3 cases can be accommodated during a session.
5. It is compulsory to include good quality clinical and radiographic photographs and wherever necessary photomicrographs should be included as well.
6. Multidisciplinary cases can be presented by involvement of more than one presenter of different speciality.
